--- | --- | ---
March 11, 2015 | 10:00 - 11:30 a.m. | What is SAM? The System for Award Management (SAM) is combining federal procurement systems and the Catalog of Federal Domestic Assistance into one new system. This consolidation is being done in phases. The first phase of SAM includes the functionality from the following systems:
- Central Contractor Registry (CCR)
- Federal Agency Registration (FedReg)
- Online Representations and Certifications Applications
- Excluded Parties List System (EPLS)

How will SAM benefit me? The overarching benefits of SAM include streamlined and integrated processes, elimination of data redundancies, and reduced costs while providing improved capability.

All firms attending the Matchmaker are encouraged to register in SAM before May 13, 2015.
