About the Event:

The MWBE Roundtable Discussion is all about your small business firm growing, networking and developing in the Government Procurement market. This discussion will cover an array of topics and questions led by YOU.

We invite Minority and Women—Owned small businesses in the WNY communities to come out with their questions and concerns in government procurement.

**Come to Network and Learn
More about the MWBE
Certifications, the resources and
tools available to grow your
MWBE firm in Government
Procurement & Contracting.**

What is the SBDC ?

The Small Business Development Center (SBDC) at SUNY Buffalo State provides management and technical assistance to start-up and existing small businesses throughout Erie County and the Niagara Frontier.

The SBDC's knowledgeable and experienced staff provides expert one-to-one counseling, training, and instructional programs to help small businesses succeed. Any existing small business, firm, or individual small business may request assistance. There are no charges for direct counseling by the SBDC under this program. Please contact the center at (716) 878-4030 to set up an appointment.

How Does the SBDC assist in Gov't Procurement?

The SUNY Buffalo State - Small Business Development Center offers Procurement Assistance services in (3) focus areas:

1. Government procurement
2. Government Certification
3. Government Contracting

Finding government contracting opportunities that work for your firm will begin and end with identifying and locating the government agencies that purchase your goods and services. While finding these opportunities may be a time-consuming process, the SUNY Buffalo State SBDC offers pro-bono confidential business counseling services to assist your firm.

Funded in part through a cooperative agreement with the U.S. Small Business Administration. All opinions, conclusions or recommendations expressed are those of the author (s) and do not necessarily reflect the views of the SBA. Reasonable accommodations for persons with disabilities will be made if requested at least two weeks in advance. Contact (Cindi Thomason; (716) 878-4030).
