

BUFFALO STATE

The State University of New York

Andrea Lizak
Associate Director &
Advanced Certified Business Advisor

Ms. Lizak is the Associate Director of the SUNY Buffalo State Small Business Development Center. She is a highly ranked business advisor in New York State. In March 2009, Andrea Lizak was recognized as an Advanced Certified Business Advisor—the highest ranking available to a business advisor in New York State. In addition to her professional accolades, Andrea holds a Masters' of Science Degree from SUNY Buffalo State in Industrial Technology.

Since joining the Buffalo State Small Business Development Center, she has worked with hundreds of entrepreneurs. In her work, she assists small business owners with strategic planning, marketing, human resource management, and financial analysis. Her clients include everything from small home-based businesses to businesses with scores of employees.

In addition to her role as Associate Director and Business Advisor, Andrea manages the center's KidBiz program. Andrea is also engaged in efforts to advance SUNY Buffalo State. In addition, she co-manages the college's Innovation, Creativity, and Entrepreneurship Advisory Council.
