Making Schools Work

Cecilia Pershyn, Buffalo State Education Coordinator for the Blue Economy Program at Riverside Academy, presented at the *Making Schools Work* conference in Baltimore, Maryland , July 11, 2019

Ms. Cecilia Pershyn, Buffalo State's Blue Economy Education Coordinator for Buffalo Public School Riverside Academy presented at the national conference, *Making Schools Work*. She presented on the planning, design, and implementation of 15 advisory lessons for Riverside Academy's 9th and 10th grade students. The lessons are intended to shape and cultivate career goals and provide college and career readiness. The team that guided this effort included Ms. Pershyn, Riverside Academy Principal, Mr. David Hills and the guidance counselor, Ms. Nicole Dugan. The conference was attended by over 2500 educators.
