

BUFFALO STATE

The State University of New York

Entrepreneurship in the Arts

Fall 2019

Mauricio Canton is a native of Mexico City. He has experience in consulting services and can assist clients in both English and Spanish. Mauricio is an expert on entrepreneurial effectiveness, business planning and government procurement. In particular, he has helped multiple clients get through the oftentimes challenging process of Minority and Women Business Enterprise (MWBE) certification. In addition, having studied in Mexico, Canada and the US, he guides business owners through the intricacies of international trade. If you want to book an appointment, please contact him at: cantonm@buffalostate.edu
